

Fig.1.1

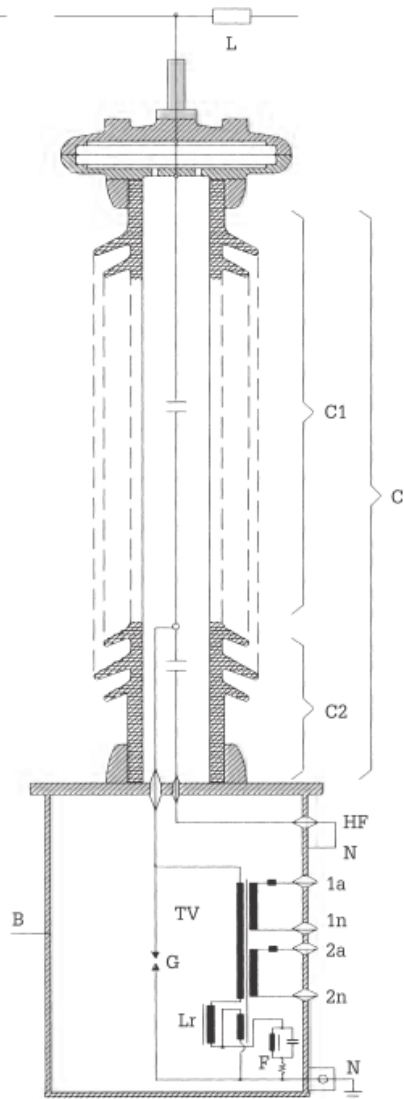

Fig.1.2

- L** = Line trap
- B** = Magnetic unit
- C** = Capacitive divider
- C1** = High voltage capacitor
- C2** = Medium voltage capacitor
- HF** = High frequency terminal
- N** = Grounding terminal
- Lr** = Compensating reactor
- TV** = Medium voltage transformer
- G** = Medium voltage spark gap
- F** = Ferroresonance filter
- 1a-1n** = Secondary terminals
- 2a-2n** = Auxiliary secondary terminals

Fig. 1 - C3VT capacitor voltage transformer
